es aquí estamos preparándonos para el lunes. Tendremos velos y luces con
discojes que proyectaremos en las paredes. Viene gente
fuera del estado, estamos contentos saber que el apoyo continua. Sigamos unidos

Menú

1. El Pueblo unido jamás será vencido. De pie luchar que vamos a morir. Avanzan ya banderos de unidos Y tu vendrás marchando junto a mí. Se vendrá tu canto y tu bandera florecer. La luz de un rajo amanecer.

2. Y ahora el pueblo que se alía en la lucha con voz de oportuno grito. Adelante! El pueblo unido jamás será vencido.

Jose Lynch
Murió esta noche. Eso es, si uno siempre viene cosas mejores por
en nuestros corazones, cada uno de
usted que están luchando por nosotros

United ^{Jose Ignacio} today and forever

Part 1: ^{Many} The people united will never be defeated. ^{And} we are going to triumph. The flag of unity waves. And you will see victory and you will see your song and your flag will flourish.

Part 2: ^{The red light rises. Anxious the light will rise in the night. In the night the light will rise in the night. In the night the light will rise in the night.} The people will not be defeated.

Jose Lopez
